Pirate mask template

This website uses cookies to improve your experience. We assume you agree, but you can unsubscribe if you wish. [Accept](#) [Reject](#) [Read more](#) [Privacy & Cookies Policy](#) contributed by Leanne Guenther This pirate craft uses a printable template and a paper plate to make a project suitable for a pirate or Halloween theme. If you cut a hole instead of using the template eye, you can convert your pirate craft into a pirate mask. Attach a color stirrer or tongue printer so that your child can hold it up to the face. Materials: pink or flesh colored color and brush (or you can keep its face white if you don't fancy painting). Paper plates, something to color with (or color printer), scissors, glue, paper, printer, Optional: You can replace a large wobbly eye for the stencil eye. Optional for MASK: Paint Stir Stick , thin wooden stripe or tongue depressor . Instructions: Paint the bottom of the paper plate light pink or flesh color (or you can leave it white if you prefer). Print the templates of your choice. Color (if applicable) and cut out the template pieces. Most pieces are easy enough shapes for small children to cut, but if needed, an adult can help with some of the harder pieces (the earring and hair). Glue the pieces to the plate to make a pirate face: glue the ears to both sides of the head. Glue the hair to the center of the head. Glue the eye to the mask (or cut a hole for the eye in a mask). Stick your eyebrows over your eyes. Glue the patch where the second eye should be. Glue your nose under your eyes. Glue your mouth under your nose. Glue the earring to one ear. Glue the pirate hat on top of the paper plate over the hair. Optional: If you're making a mask, use tape or tape to attach a thin strip of wood, tongue depressor, or a Paint Stir stick (often free at derlack supply and repair shops at home -- no more than 1 dollar -- we get Dad to pick one up from time to time when he admires home depot the tools *grin*) Template 1: (Color) or (B&W) Template 2 : (Color) or (B&W) Print-Friendly Version of This Guide Labels: Birthday, Carnival Costumes Free Printable Sprints, Halloween Mask Party Activity, Party Favors, Photo Booth, Photo Call, Pirate Souvenirs Template Top 100 You Might Like Whether Your Little Buccaneers Want to Be a Pirate for Halloween... or simply because they feel like it... This printable color mask is just the thing. Simply print it out, color it, and then follow the simple instructions to make it a mask.
